

Section D6: Terms and Conditions for Subcontracts or Purchase Orders Issued in Support of Contracts to Supply the Government of Belgium Related to the Acquisition of and Technical Assistance for 322 Command and Liaison Vehicles (CLVs).

Issued: **17 December 2020**

This subcontract or purchase order is in support of the aforementioned prime direct commercial contract with the Government of Belgium and subject to certain clauses contained in Belgium's Royal Decree of January 14, 2013, incorporated herein by reference and updated from time to time, including, but not limited to the Government of Belgium's ability to (1) compel production of documents from supplier to confirm supplier's compliance with its financial obligations (e.g., debts and social security payments), and lack of relevant civil or criminal record, and (2) instruct Oshkosh Defense to replace a supplier. Oshkosh Corporation's Supplier Standards Guide, including Section D, is also incorporated herein by reference (and located at <https://osn.oshkoshcorp.com/docs/ssg/Section%20D.pdf>).

The referencing, in this section of the Supplier Standards Guide, of the Royal Decree of January 14, 2013, and other terms added by any applicable Royal Decrees shall conclusively establish their applicability, as well as their incorporation into the Purchase Order or applicable Subcontract, with the same force and effect as though set forth in the Purchase Order or Subcontract itself.
